

## PHOTOGRAPHY BY BRIAN NEJEDLY

### Reviews (April 2010)

Brian, you truly are an amazing photographer. We were nervous about hiring a photographer for such an important event from thousands of miles away, but you left us with zero regret. You captured every detail of our wedding and all the intimate moments. Those memories can never be replaced. Looking at the pictures brought tears to my eyes and we couldn't be happier!!! Our phone hasn't stopped ringing with compliments from family/friends since the pictures were posted. Also, you have been a pleasure to work with!! We will be keeping in touch with you on our return to Jamaica my friend. Thanks for everything!!

I hope you are proud of yourself. You just made me cry at work! :-)) It is beautiful, Brian. I cannot express how happy we are with everything and how well you captured "us" and our emotions on that day. *-Amanda*

Just got the CD yesterday and are able to see them online! They look amazing. There are so many that I love I don't know where to start picking! Some are so perfect they look like a Caribbean backdrop. *-Jocelyn*

Just wanted to let you know we had our reception last week and screened all our photos through a projector throughout the night... everyone was absolutely blown away by them and thought you were an amazing photographer! I think we are putting Jamaica on the map for a few of our friends still to tie the knot after looking at the pics!! *-Stephanie*

It really was a pleasure working with you - the pictures are so gorgeous, you captured our special day beautifully!!! We'd can't thank you enough for the energy and attention you put into them. Even the ones that were taken at the end of the day (when we were both exhausted) turned out stunning.

We cannot tell you how pleased we are with the photos!! All of our family and friends back here have been very impressed. It all seems like a distant memory now so it's good to have such a nice permanent reminder. *-Zoe & Chris*
